THOMAS PRINTZ' PRIVATE BULLETIN. A BRIDGE TO FREEDOM PUBLICATION.

October 26th 1958. VOL. 7. NO. 39.

Beloved ones;

I gratefully extend the courtesy of The Bulletin this week to Beloved Lord Zadkiel and Beloved Holy Amythist, Who give you herewith Their words, spoken on October 18th, 1958.

MAHA CHOHAN.

= = = =

are coming into the worlds and auras of every sincere, earnest and worthy chela to help to give you confidence in the efficacy and reality of the POWER OF THE VIOLET FLAME OF LOVE AND MERCY. "I AM" hoping with all of My Heart that you are willing to accept these Lovely Ladies and to accept Their feeling of the efficacy of the Flame which Transmutes shadows, whether they are physical or whether they are of the inner vehicles until such time and such hour as you yourself can see that Flame and witness It changing the quality of energy on the instant.

Beloved ones, the Power of Invocation is a study in itself. The Power of Invocation starts at the very instant when the Immortal Three-fold Flame of Almighty God is established in the universal and your White Fire Being takes on Individualization and the responsibility and obligation for the use of life and continues to invoke that life, utilizing it at Cosmic Levels and then in any one of the Seven Spheres whether or not the Individual divides and becomes Twin Rays or stays the White Fire Being - but that Power of Invocation is CONSTANT. It is utilized by you with every thought you think; every word you speak, every action, every feeling - you are using the Powers of Invocation of Good or of shadow. And here We come to the point of your attention, beloved ones. I would like to explain this as simply as possible for your edification:

The life which flows from you through free will and attaches to any person, place condition or thing on this Earth is a stream of electronic force which moves so rapidly that the human eye cannot see it, but for the sake of clarification We will say this, that We will slow down that life for a moment and when it reaches the ultimate in the point of your attention then it draws back into your emotional, mental, etheric and physical vehicles the actual substance of that on which your attention has rested. Therefore, when your attention rests on imperfect conditions, on that which is not of God and His goodness,you are drawing, consciously or unconsciously, for it is the law, more and more of the substance upon which you dwell into your world; constructively when your attention is upon the Ascended Host of Light, the Divine Beings that represent the Hierarchy of Heaven, you are drawing, through your life energy which is pointed upward and through free will back into your emotional, mental, etheric and physical vehicles the substance and energy of the Divine Beings in the form of emotional peace, mental alertness, etheric purity and physical stamina, which is so required in this hour and day.

It is not necessary, beloved ones, for you to have an outer garment or vestment for your very selves are a proof of where your attention has rested and that upon which your attention had fastened itself through the ages. That is only temporary; We are making for you now vestments for Eternity out of the very garments which you presently wear, physically and the finer vehicles, and through this Power of the Violet Fire and every activity of Purification at Our command, We are TRANSMUTING AND CHANGING the quality of energy to give God assistance to those who require it and to make the Living Chalice of your heart so blazing bright that shadows are DISSOLVED INSTANTLY at your approach and that you always remain in a state of listening grace during the process of transmutation, never taking to the personal self any sense of recognition of either its powers or its magnificent effects.

Beloved ones, many people question why some of mankind has fallen from Grace; why the elemental kingdom has become so mischievous; why Angels have fallen from Their God estate --- all through the power of their attention. Mankind took their attention away from their own "I AM" Presence and placed it upon the carnal thoughts, feelings, words and actions of the laggards from other systems and, because their attention is a rod of power, they began to create within themselves those same thoughts and feelings which became a weight in the emotional, mental, etheric and finally the physical vehicle. Elementals imprisoned themselves by mirroring the imperfection of human kind and Angels Who came from God's Holy Kingdom to serve and protect this planet Earth, taking human form, also having free will, allowed the power of their attention to play upon the very conditions that they were supposed to dissolve and, for the time being, they remain in a state of discord and imperfection. Now, beloved ones, it is Our endeavor and the

endeavor of All of the Spiritual Hierarchy of Heaven to RAISE AND RAISE AND RAISE the attention of the chelas and of all mankind who will listen to Us, believe in Us and act upon Our words to those beautiful and magnificent Octaves where Perfection dwells. We are moving into the atmosphere of this Earth, into the Government of Its peoples, into the thinking, feeling consciousness of mankind! We are moving into the Elemental Kingdom and also into that of the brothers and sisters of the Angelic Host that have temporarily abandoned the Pathway of True Light. We shall bring the impetus which is the leaven in the loaf to raise them all AGAIN to their God-estate.

It is Our endeavor, it is Our activity and Our reason for being, to redeem, restore, resuscitate ALL THAT IS GOOD and ALL THAT IS HOLY and We shall remain with this Earth in which so much life has been invested and with those chelas who are honest, earnest and sincere, in whom so much life has been invested, until they stand forth in Immortal Garments, the light blazing forth from the Chalice of their hearts and they are able, through the action of Love, Wisdom and Power, to handle every condition that is necessary to be transmuted from temporary shadows into permanent Light! This is Our promise; this is Our word in the NAME OF THE ASCENDED JESUS CHRIST and We stand by it!"

BELOVED AMETHYST speaks:

"Ladies and gentlemen, "I AM" the feeling of the Violet Flame; that feeling of warmth and comfort which you sometimes know, that feeling of joy when you see distress removed, wheresoever you are. I, like Zadkiel, love this Earth and "I AM" the very Heart Center of that Violet Flame of Transmutation and Mercy so far as Its feeling of purification is concerned, and so far as the love for the Violet Fire and for Its use is desired. When you say so earnestly, 'Beloved Holy Amethyst Thou art within me', "I AM", for there is no seperation except in form and truly do I enter into and become one with the Holy Christ Self of you, so accept Me and accept the great honor and privilege that is yours, as that marvelous, magnificent activity of the Violet Fire is the gift of God's love blazing through you.

Without the Violet Flame, beloved ones, there would have been no Earth today; without the full power of the Violet Flame there would have been no humanity, no Guardian Spirits; there would have been a void in so far as the Earth is concerned. Now, if that Violet Flame focused and wielded by the Great Gautama and Beloved Sanat Kumara and All those Others could hold this very Earth in Her place in the system, can you not see that in this day, when the axis again begins her straightening motion, that that Violet Flame can be for you a magnificent lever in your own worlds and in the worlds and affairs of all that love you! Please accept It, in full gratitude from Our hearts.

The more you call on Us for this Violet Flame, the more you magnetize Its Presence from Us through and through Us, the more opportunity We have to draw on the Cosmic Storehouse to channel that Violet Fire through you. This is an Eternal verity, one of those many Truths which have to be repeated often, because the blessed and sincere outer self becomes weighted down, not only by his or her own karma, but by the karma of those around him --- so Zadkiel and I this day bring to you the full Power, the full gratitude, for your acceptance of this Violet Flame. Know that in the Realms beyond so-called death it is the magnificent Power of the Violet Fire which gives every God assistance to you and those you love in freeing each and everyone of those loved ones from human creation, enabling them to arise into the Octaves of Light which the Christian World call the Kingdom of Heaven. It is that magnificent Power of the Violet Fire that Mother Mary draws enabling so many of the children of Earth to come into embodiment with much less karma, as She pours It in, through and aroung their hearts.

Beloved Zadkiel.

N O W ! IN THE NAME OF GOD accept the fullness of that Violet Flame! ! Come often to Our Retreat, enter therein, be a part of that Violet Transmuting Flame and bring It back into the orbit of your own worlds as God's Own Love, as God's Own Light, as God's Own Mastery! I ask you this now. Thank you.

Dear friends: May the love, gratitude and opulence of our Beloved Lord Zadkiek and Holy Amethyst flood your beings and worlds for your co-operation and willingness in sustaining this service of Maha Chohan.
